| 6.3.2     | Rawalpindi City Traffic Police (CTP): A brief history            | 142        |
| 6.3.3     | CTP mission and vision statements, core values                   | 143        |
| 6.3.4     | Organizational structure   | 144        |
| 6.3.5     | Total strength of Rawalpindi city traffic police                 | 145        |
| 6.4       | Characteristics of the respondents of CTP                        | 146        |

|           |  |            |
|-----------|--|------------|
| 6.5       | Frequency and acceptability of integrity violations and Corruption   | 147        |
| 6.6       | Perception on integrity violations and corruption                    | 153        |
| 6.6.1     | Survey results   | 153        |
| 6.6.2     | Perception on integrity and corruption: Interview analysis           | 159        |
| 6.6.3     | Difference between corruption and police corruption                  | 160        |
| 6.7       | Influential factors: Curbing integrity violations and corruption     | 162        |
| 6.8       | Perceptions on anti-corruption mechanisms                            | 176        |
| 6.9       | Conclusion   | 180        |
| <b>7.</b> | <b>Case study 3: Attock Traffic Police</b>                           | <b>185</b> |
| 7.1       | Introduction   | 185        |
| 7.2       | Case selection   | 185        |
| 7.3       | Attock city and traffic police profile                               | 186        |
| 7.3.1     | Attock City  | 186        |
| 7.3.2     | Attock City Traffic Police: A brief history                          | 187        |
| 7.3.3     | Attock traffic police mission and vision statements, core values     | 188        |
| 7.3.4     | Organizational structure of Punjab Traffic police (including Attock) | 189        |
| 7.4       | Characteristics of the respondents of Attock traffic police          | 190        |
| 7.5       | Frequency and acceptability of integrity violations                  | 191        |
| 7.6       | Perceptions on integrity violations and corruption                   | 197        |
| 7.6.1     | Difference between corruption and police corruption                  | 203        |
| 7.7       | Influential factors: Curbing integrity violations and corruption     | 205        |
| 7.8       | Perception on anti-corruption mechanisms                             | 214        |
| 7.9       | Conclusion   | 220        |

## **Part IV Cross-Case Comparison and Conclusion**

|           |   |            |
|-----------|---|------------|
| <b>8.</b> | <b>Results and Analyses of the Case Studies and the Surveys</b> | <b>223</b> |
| 8.1       | Introduction  | 223        |
| 8.2       | Case studies: Integrity violations                              | 224        |
| 8.2.1     | What is seen as an integrity violation                          | 224        |
| 8.2.2     | Acceptability of integrity violations                           | 225        |
| 8.2.3     | Occurrence of integrity violations                              | 226        |
| 8.3       | Case studies: Influential factors                               | 227        |
| 8.4       | Survey analysis: Integrity violations and important factors     | 239        |
| 8.4.1     | Correlations: Integrity violations and important factors        | 239        |
